

BACK ON TRACK PROGRAM

PROGRAM INFORMATION & REQUIREMENTS

Completion of the BACK ON TRACK program does **not** result in the dismissal of your DUI charges. **Upon successful completion of the program, the DUI charge will be *amended* to a reckless driving with a *withholding* of adjudication.** That would mean that you would receive no points and could be *eligible* to have your arrest and criminal records sealed.

If the State Attorney determines that you are a candidate for the BACK ON TRACK program, you will fall into either Tier 1 of Tier 2:

TIER ONE: (For clients with a Breath/Blood Alcohol Level below .15)

- The term of the program will be 6 months of which you must report monthly and submit to random alcohol and drug testing.
- You must complete DUI School within the first 3 months of the program.
- You must complete a substance abuse evaluation, conducted by the DUI School, within 1 month of enrollment, and treatment if mandated within the term of the program.
- You must complete 40 hours of community service.
- You must complete a 2-hour Victim Impact Panel Class and the online YouImpact Program.
- You must install an ignition interlock system on your vehicle for three months during the term of the program.
- You will be required to pay:
 - \$500.00 for the cost of supervision
 - \$300.00 towards a victim services/enforcement fund donation
 - \$50.00 towards the cost of prosecution
 - DUI School, drug testing fees, and treatment fees (if necessary) as required by the provider
 - Cost recovery to law enforcement as determined by your case
 - Court Costs

TIER TWO: (For clients with a Breath/Blood Alcohol Level of .15 or above or those who refuse a breath, blood or urine test)
